## Lions Club to Close Penhold Chapter

It is with a great sense of excitement and raw sadness that The Town of Penhold has graciously accepted the \$6,000.00 donation from the Penhold Lions Club for new park benches in Windsor and Tranquility Park. We (Mayor Julia King, with Public Works Forman Nancy McAteer, and others on site) have been informed while accepting this gift, that the Penhold Lions Club will be closing their chapter, and that this will be their last act of service for the community.

The Mayor of The Town of Penhold Julia King was visibly shaken at the news that we would be losing such an important visible force for good on our community. We all have lost something as a result of the Lions club closing. It should not be forgotten that those who served, have made the Town of Penhold and the surrounding community, a better place because of their commitment.

From all of us, to all those members, over these many years, **Thank You Lions**, you will be sorely missed!!
